

Cornell is a private, Ivy League university and the land-grant university for New York State. Its mission is to discover, preserve, and disseminate knowledge, to educate the next generation of global citizens, and to promote a culture of broad inquiry throughout and beyond the Cornell community. The Office of University Investments (OUI) manages the University's \$10+ billion endowment, which supports this mission by seeking to generate superior risk-adjusted returns through traditional and alternative investments in U.S. and international equities, fixed income, hedge funds, private equity, venture capital, and real assets.

OUI seeks highly qualified Investment Analysts for its analyst program. This is a three-year term position in OUI's **New York City Office**, with a start date of **summer 2024** (earlier is possible).
